BOYS & GIRLS CLUBS
OF METRO PHOENIX

BGCMP.ORG

Dear Friends,

Thank you for your kindness, your support and your unwavering belief in all of the Valley's children.

Because of your support in 2013, we've saved even more lives, dreamed bigger dreams, filled more hungry bellies and inspired more laughter and smiles. Nearly 23,000 children found safety from the gangs and violence that plague their neighborhoods, and made lifelong friendships with positive role models and new friends who will help them succeed in life.

Our families and communities are stronger because of you, but our work isn't done yet. There are still so many extraordinary children in desperate need of safety, food and opportunities for a better life. I invite you to continue your life-changing work with us as we bring hope and opportunity to those who need us most.

The Boys & Girls Clubs means that my dreams, my hard work, will pay off. Because of you, I'm going to college. You have given me the keys to a future I thought was not a possibility. Thank you.

Create a Legacy

And give generations to come a safe place to play, learn and grow by designating a planned gift from your estate in support of the Boys & Girls Clubs of Metro Phoenix. To learn more or receive a free Will Kit guide, visit bgcmp.org/plannedgiving or call 602.954.8182.

A childhood filled with laughter

The Boys & Girls Clubs of Metro Phoenix brings hope and opportunity to nearly 23,000 children. Though the neighborhood outside may be dark, the gyms and art rooms and – shhh – even libraries are filled with cheerful laughter and bright futures.

Work Hard, Study Hard

So many of our families don't have enough money to eat. There can be a lot of pressure on kids to drop out and get a job. Though most of our teens do have to work, they're also 25% more likely than their peers to graduate. Thanks to you and daily homework help at the Club, their hard work pays off.

Stronger Communities

Your community support sets an example for our kids. Leadership and community service define "the Club kid," and members who attend the Club regularly are three times more likely to actively give back to their community.

77% of Club members volunteer, giving back

Healthy Choices

Kids today face more choices than ever, and the decisions they make can mean the difference between life and death. From computer classes to cooking classes, sports leagues to gang prevention, Club members learn to take responsibility for making healthy choices. Most of our members say the Club saved their life.

66% of parents say their kids make better choices about food and drink

Members who attend regularly are 45% more likely to exercise at least 6 times a week

\$42.5 million is saved in the Valley every year in reduced crime and substance abuse

Ending Childhood Hunger

Nearly all of our families are low income, and one in three Arizona children struggles with food insecurity. Every day, our kids can count on a nutritious snack and meal to power them through all their activities. You helped us serve more than 273,000 healthy meals last year.

1 IN 3 ARIZONA KIDS IS FOOD INSECURE

AMONG COUNTIES WITH OVER 100,000 RESIDENTS, MARICOPA COUNTY HAS THE FIFTH HIGHEST RATE OF FOOD INSECURITY IN THE COUNTRY

171,159

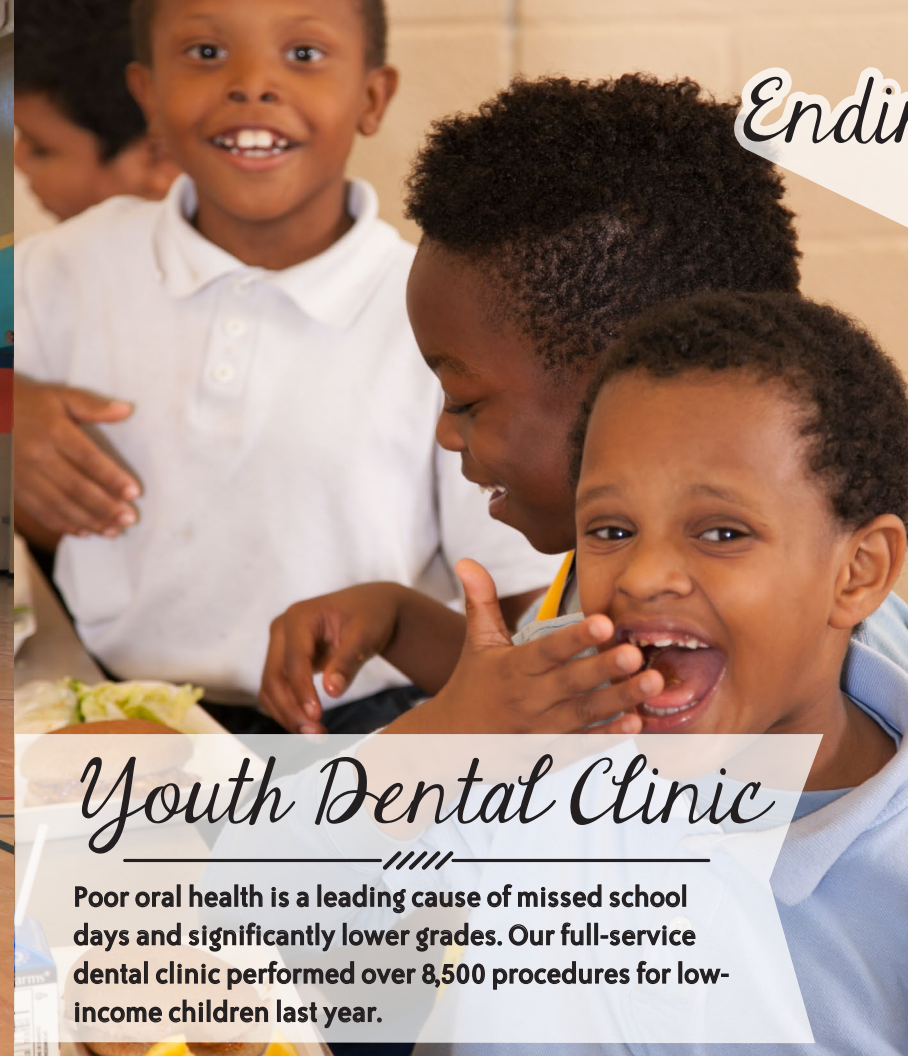

healthy snacks were served to power kids after school

273,135

Youth Dental Clinic

Poor oral health is a leading cause of missed school days and significantly lower grades. Our full-service dental clinic performed over 8,500 procedures for low-income children last year.
