## About Boys & Girls Clubs of the Valley (BGCAZ):

Boys & Girls Clubs of the Valley offers affordable after-school and summer programs for 16,000+ young people in grades K-12. At 26 Clubs across most of the Valley, BGCAZ provides award-winning programs designed to change the lives of young people. For over 70 years, we have been committed to creating equity and opportunity for youth through programs that create pathways to academic, career and workforce opportunities and achievement. We help young people make healthy decisions and focus on social and emotional development to build resilient young adults. Most importantly, we work to develop strong character and leadership skills by creating positive connections to caring adults and their community.

Boys & Girls Clubs employs a Formula for Impact for how the organization impacts the life of a child. Our programs are organized around four Priority Outcomes: Academic Success; Good Character & Citizenship, Healthy Choices and Career Pathways & Workforce Readiness.

**Academic Success:** Graduate from high school, ready for college, trade school, military or employment.

**Good Character & Leadership:** Be an engaged member in the community, and model strong character.

**Healthy Lifestyles:** Adopt a healthy diet, practice healthy lifestyle choices and make a lifelong commitment to fitness.

**Career Pathways & Workforce Readiness:** Build knowledge, skills and learning experiences to prepare for the 21st century workforce and lifetime economic potential.
