Ending the Year Well

Get a head start on your year-end tax planning.

✓ **IRA Charitable Rollover**

Congress made permanent the law that allows people age 70½ or older who own an IRA to make gifts directly from their IRA to charity. For many people, this is the best tax-wise way to give. An IRA rollover gift will not be included in your taxable income and may qualify for your required minimum distribution.

✓ **Outright Gift of an Asset**

If you wish to make a gift to support our cause this year but are concerned about preserving your cash resources, consider a gift of an appreciated asset. A gift of securities, business interests or real estate can provide you with significant income and capital gains tax savings, often exceeding the benefits of a cash gift.

✓ **Donor Advised Fund (DAF)**

If you are looking for an end-of-year deduction but want more time to make thoughtful giving decisions, consider a donor advised fund (DAF). Our organization can use your tax deductible gift to establish a DAF in your name. You can make grants from your DAF now and in the future to support our work and other causes you care about.

✓ **Zero-Tax Gift and Sale**

If you are planning to sell an asset like securities, real estate or a business, before you sell, consider a “zero-tax” charitable gift and sale. By making a gift of part of the asset before the sale, you can use a tax-saving charitable deduction to significantly lower or eliminate the capital gains tax on the sale.
