PRIORITY OUTCOMES

Academic Success

Members engage in daily academic enrichment activity with supportive adults facilitating homework help and education programs that complement and reinforce what youth learn during the school day. Rooted in social-emotional development practices, members develop key skills such as: curiosity, communication, collaboration and critical thinking.

Good Character & Leadership

Members have access to caring and supportive adults who help foster resilience to challenges, stress, and bullying while also learning to treat each other with respect. Members demonstrate leadership and service to others in the Club and in the community, and understand their rights and responsibilities as community members.

Healthy Lifestyles

Members engage in daily physical activity, make healthy nutrition choices, employ good resistance and decision-making skills, and refrain from participating in risky behaviors.

Career Pathways & Workforce Readiness

Members engage in career pathway and workforce readiness learning and internship opportunities to explore a variety of careers in order to develop their own personalized plan for success.
