Cox Mobile Announces 22 Boys & Girls Clubs of America Teen Finalists in Second Annual Phone Case Design Contest

Valley teen competing for one of two \$25,000 scholarships, Fan Favorite voting now open

(Phoenix, Ariz.), January 26, 2026, – Cox Mobile, Cox Communications’ mobile phone service, has announced the 22 finalists from across the U.S. in its second annual [Phone Case Design Contest](#), held in partnership with Boys & Girls Clubs of America. This year’s contest invited high school Boys & Girls Club members to design a phone case that represented the theme “A World Within Reach – Future Icons.”

Mabelyn from [Boys & Girls Club of the Valley](#) (BGCAZ), has been selected as one of the 22 nationwide finalists in this year’s contest. Mabelyn’s artwork showcases a girl climbing up to the earth on a ladder, which, to her, represents reaching for and working towards what you believe in.

Later this spring, a panel of judges, including leaders from Cox Communications and Boys & Girls Clubs of America, Club Alumnus Mario Lopez and 2025-2026 National Youth of the Year Ximena, will select the grand prize winner, who will receive a life-changing \$25,000 scholarship as well as a \$25,000 technology grant for their local Club.

“This contest means so much to our community, Cox and to the members of the BGCAZ,” said Susan Anable, Cox Phoenix Market Vice President. “By investing in this generation and encouraging them to harness their creativity to pave their journeys, we are instilling the quiet confidence they need to grow into strong learners and leaders,” she added.

Each finalist will be recognized by their local Club during a special celebration in February and will receive a connectivity prize package.

Cox Mobile Fan Favorite Voting Now Open

In addition to the Grand Prize Winner, the public is invited to vote for this year’s Cox Mobile Fan Favorite Winner. The winner will be awarded a \$25,000 scholarship and a \$10,000 technology grant for their local Club.

Why It Matters

“Every teen has the potential to become a future icon – and that journey begins by being seen, heard and supported,” said Colleen Langner, EVP and chief residential officer of Cox Communications and a Southeast BGCA Trustee. “This contest is more than a creative outlet; it’s a catalyst for designing futures and unlocking a world of possibility.”

Cox Communications and Boys & Girls Clubs of America have partnered for more than two decades to supply Clubs across the country with Cox Innovation Labs for members to have access to and education on digital connectivity.
