

Summer Registration for Parents (New and Returning)

*All members will need a “Summer Membership” in order to purchase the Summer Camp program weeks. If they currently have an active After School Membership they will not be charged the \$30 membership fee but will still need to submit a Summer Membership application.

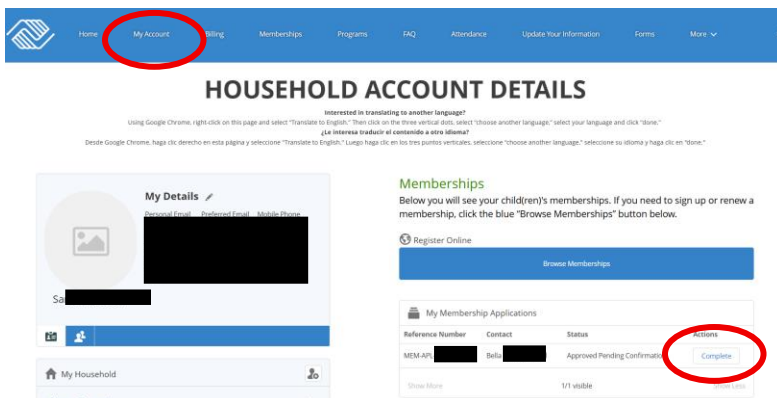

1. Login to your parent portal and select “Memberships” and select “Summer Membership”

2. Complete the information for your member. Once submitted the Club will review the information and approve the application. Please give us 24-72 hours.

3. Once it has been approved parents/guardians will get an email. The next steps are to go back into the parent portal and complete the membership:

- Click on “My Account”
- Find the summer membership and select “complete”.
- If you have an active After School Membership, you will see a \$0 fee. If your after school membership is not active there will be a \$30 charge here.

4. You are now ready to sign up for the summer camp programs! Go to “Programs” at the top of the screen.

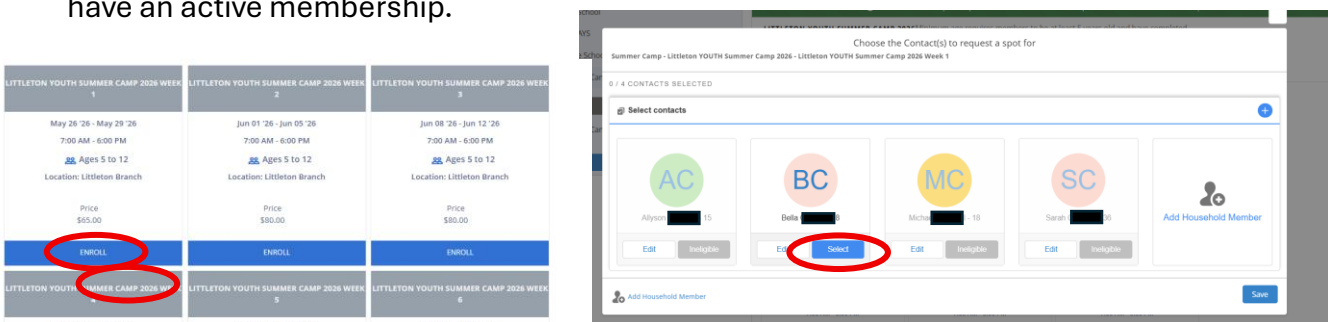

5. Double check that you are in the correct Club location and then select “Summer Camp”- then “options”

6. You can now select all the weeks you wish for your member to attend. If you put a credit card on file it will not charge your card until the Friday before the week starts.

7. When you click on “enroll” you will be able to see all active members in your household that qualify for the program you selected. If a child is greyed out and you cannot hit “select” this means they either do not meet the age requirement for that program or they do not have an active membership.

*If you have registered for a summer program week, either the card on file or your household will be charged. If you are not able to attend the week, it is the responsibility of the parent/guardian to notify the Club no later than the Thursday before the week starts. If you fail to notify us by that point, we are unable to make changes and you will be charged for that week regardless of if your member attends or not.
